**Webpage - New York 3-Day Tour**

There are a lot of exciting and amazing places in New York. In this 3-day tour, we will bring you to take a look at this fascinating metropolis!

**Hidden History**

On Day 1, we will learn about the history of New York. We will go to the famous Central Park where lots of old movies and TV series about New York were shot. There are also photos of countless historians all over the bridges where you can take amazing photos. It is a good place for you to relax and learn about New York history at the same time. At lunch, we will head to Katz's Delicatessen by shuttle bus. The most famous thing about this restaurant is that it has loads of gorgeous celebrities on the walls. This restaurant serves reasonably priced cuisines. It is one of the top-notch restaurants in the city!

**Culture Culture**

Take a look at New York's culture by going to Westfield World Trade Center by minibus. It is one of the largest malls in the world. There are lots of iconic brands. There are also plenty of cultural experiences to try out at Westfield World Trade Center, such as art workshops, outdoor food markets and a collection of more than 65,000 handwritten stories from people across America. At lunch, we will go to Industry Kitchen, which offers mouthwatering modern American cuisine featuring seasonal market ingredients that New Yorkers love.

**Theme Park**

On the last day, we will go to the Legoland New York Resort to try the exciting rides. One of the most famous rides is "The Dragon". We will enjoy an interesting lunch at the Brick Street Café, which serves various coffee and freshly baked pastries. The decoration of this café is unique as the walls, tables and chairs are all built with Legos! At night, we will enjoy fireworks. A 3D fireworks glass will be given, transforming fireworks into Lego bricks!
