Our Cheers

Editor's Words

Abby Au Yeung
Chairman, School Magazine Society

A part from Science, how are the terms 'telescope' and 'microscope' related? Literally, both of them consist of the word 'scope', which is the word we use to name our school magazine.

Scope holds our fond memories. Fond memories should not just belong to Jubileans. It should be shared amongst those who are interested to get to know more about us.

By 'looking through' our Scope, you will gain an insight of our school life, thoughts and talents from multiple perspectives. Just like the word 'scope' which is used in reference to a range of different components, our magazine consists of different columns. 'Our Voice' is a platform for the editorial board to share their contemplations with you. 'Our Moments' is where you catch up with the most recent events that have taken place at school. We also cover stories of our alumni in 'Our Pride', a column which we have included so that we can learn from the life experiences of our alumni, 'The Pride of BHJS'. 'Our Style' is tailor-made for those who want to keep themselves up-to-date with pop culture. Jubileans get a chance to showcase their outstanding school work in 'Our Masterpieces'. The final section, 'Our Cheers' presents the latest news of our school and students' achievements so that we can celebrate their feats!

Scope has been a labour of love. We have tried to ensure that you find Scope enticing and appealing. We hope that you enjoy reading it and learning more about our school!

Mount Everest. It is not on the minds of most teenagers in Hong Kong and for those who dare to dream, it is almost a pipe dream. Thanks to the 'Yan Oi Tong Green Adventure', I was one of the lucky few whose pipe dream was fulfilled during the last summer break. Who could have imagined a five feet tall school girl from Hong Kong who is as weak as straw could conquer such an extraordinary quest?

Photographic images of Mount Everest had me imagined that I would find a scenic landscape with the snow-coned peaks which would be the holy land for environmental activists. However, when we got up to just 5400m above sea level, it was obvious in fact that this image is far from the truth. This magnificent creation of God is losing its permafrost and has been turned into just another desolate valley full of rubbish discarded by hikers.

This disappointing image has been hard to forget. I have decided to become a voice of environmental protection for my peers. Look around us and you will notice that there is not a home in Hong Kong that does not have an air-conditioner, a TV or a computer. Often, many of these appliances are running at the same time. Did you know that each appliance we rely on for the comfort of our daily needs is melting the snow off beautiful mountain tops, causing havoc to our climate and ultimately affects the habitability of our home, EARTH?

Hong Kong citizens are often crying out poor. Our rents are rising, our food costs are rising and yet, we are still able

Mount Everest Adventure

to put on our best each day and head to school or work. In Lhasa, I encountered the hardship of those who are truly living in poverty. I saw a girl who is not older than eight years old begging for a meal. Her dull eyes twinkled when she saw the remaining food on the table. She packed our leftovers in a colorless plastic bag. It was so well mixed that I could not distinguish between meat and vegetable from the mixture. A vomit-like liquid dripped from the edge of the plastic bag to the floor. The sound that drop made as it came into contact with the ground will haunt me forever.

It was as if my heart fell along with that drop. At that instance, I felt so ashamed to be a Hong Kong teenager. We

waste so much at every meal and we do not think twice about our action. To us, it's just waste. To them, even a little food is so precious. It was at that moment that I realized how lucky I truly am. While we cannot give away our wasted lunch, our awareness can open a door to a consciousness that we need to contribute more to our motherland, China, where the poverty gap is still growing.

I am very glad to have had the chance to take part in the expedition to Mount Everest. I met many fantastic people. They're faces that made my journey so extraordinary and meaningful.

Memories I will never forget. For my friends who dare to dream, I want you to know that even when sometimes things seem impossible and dreams are brushed off as nonsensical and impractical, like going to the Himalayas, do not give up on your dreams. There is so much we can learn from fulfilling our dreams that we cannot from our books. Dare to explore your potential by stepping out from your comfort zone and dream different! Be brave and adventurous in your vision as I have!

Variety Show

Golden Jubilee Celebrations

The Golden Jubilee Variety Show was held on 21 July, 2012 to celebrate the 50th anniversary of BHJS. It was a production of spectacular performances jointly presented by our drama team, dance team, school choirs, string orchestra, wind band and Chinese orchestra.

The grand finale of the night was a musical entitled “Bishop R.O. Hall”; a tribute to the spirit of our school founder, Bishop Hall.

Thank you to all who have contributed their effort to make it a great success!

6

7

“For me, taking part in the Variety Show was a very good chance to be with my fellow schoolmates. I was glad that the school gave us this precious opportunity to perform on stage during this special occasion.”

Joanne Cheung, Dance Team, Member

“The Variety Show also gave us the opportunity to improve. In fact, we have made a breakthrough co-operating with the Junior Choir.”

Linda Lam, Chinese Orchestra, Chairman

“I am so glad to have the opportunity to be part of the Variety Show. I learnt the skills of co-operating with others and I really cherish this experience.”

Fion Lee, Senior Choir, Chairman

Athletics Meet

On 17 and 19 October, 2012, all Jubileans actively participated in our annual Athletics Meet. The sports ground was filled with our excitement, laughter, cheers and chants.

Red House

Go Go Go Ahead!
Be Be Be the Best!
Go Ahead, Be the Best!
Red House is the Best!!!

Green House

Green Green Green!
Win Win Win!
Green House Sure
Win!!!

White House

We are Fortitude!
We are Steadfastness!
We are White!!!

Blue House

We are Blue!
We are Cool!
We are gonna Defeat
You!!!

Swimming Gala

The Swimming Gala was held on 20 September, 2012. Both swimmers and spectators were all excited to attend this bi-annual school function. The highlight of the day was the relay race, in which our teacher teams competed with students. It was truly competitive and fascinating.

House Meeting

Our annual House Meeting was held on 5 October, 2012. House advisors, captains and members of the four houses, namely Blue, Green, Red and White, grasped this opportunity to display their unique house culture, to build up house unity and of course, we had great fun together!

White is plain,
however,
with strong unity and
the will to succeed,
White can be as sharp
as other colours!
- 5C Christie Chan

Red House is more
than a house to me.
It's more like
my home.
- 5E Raymond Chan

For Green House,
what we treasure is
the chance to unite
all members and raise
the house morale.
- 5D Selena Chan

Being the overall
champion is the best
encouragement to
all house members,
but we always bear
in mind not to get
carried away.
- 5D May Chan

Speech Day

Farewell to our fellow graduates who had worked so hard for their HKALE and HKDSE!

The 49th Speech Day was held on 7 July 2012. We were honoured to have Miss Annie Tam, the Permanent Secretary for Labour and Welfare, return to her alma mater to share her words of wisdom with the graduates.

Thank you our beloved teachers! We wish you all the best after your retirement.

Biology Field Trip

- Tai Po Kau

F5C students participated in a 3-day trip to Tai Po Kau Nature Reserve from 3 to 5 October, 2012. The focus of the trip included studying the freshwater stream and the biodiversity in the Tai Po Kau Nature Reserve.

Using a transparent grid sheet to measure the coverage of mosses.

This unique breed of animal can only be found in Hong Kong!

Geography Field Studies Course

- Tai Po Kau

Students of the F.6 the Geography class, also took part in a 2-day trip to Tai Po Kau Nature Reserve from 8 to 9 October, 2012. During the trip, they studied the woodland ecosystem and performed soil investigation.

陳浩然博士 神的指引・科研的使命

「我的病，或許有生之年也無法根治；但我希望，我的下一代能夠有藥可醫，即使只能夠減慢病情惡化也好。」

數年前，一名小腦萎縮症患者
的說話，至今仍深深烙在陳
浩然校友的腦海中。

因為這段話，陳浩然校友對身為科
研人員的使命感，有了更深刻的體
認，對生物醫學研究的定位，亦更
為清晰。自此，他加倍投入參與小
腦萎縮症研究，其研究成果亦逐漸
獲得廣泛認同，不但擔任香港小腦
萎縮症協會顧問，更獲頒 2009-10
年度中大青年學者研究成就獎及
2011 年中國遺傳學會第十三屆李
汝祺動物遺傳學獎。

踏上科研的道路

誠然，為不治之症尋找「解藥」
是意義重大的工作。陳浩然校友
謙虛地表示，當初踏上科研道路
全因上帝的指引：「我原本的興
趣是英國文學，而不是理科。然
而，我在銀禧遇上了改變我一生
志向的啟蒙老師。」她，就是任
教生物科的丁老師，以深入淺
出、啟發學生思考的教學方法，
打開了陳校友的科研之路。

陳浩然校友在銀禧完成中六課程
後，考進香港中文大學生物化學
系，及後更獲取獎學金負笈英國
劍橋大學繼續深造。

堅持使命 小腦萎縮症治療尋突破

陳校友研究的小腦萎縮症並非
常見疾病，在香港的認知度不高：
「坦白說，在回港後的數年間，
進行小腦萎縮症研究是辛苦的，
而且好像如何努力也未見有很大的
成果，也曾經令我質疑自己選
擇從美國回港是否正確。」陳校
友說，幸好在上帝的安排下，他
才能擁有一顆堅定的心，堅持科
研人員的使命，努力不懈地研
究，幫助更多有需要的小腦萎縮
症患者。

目前仍未有藥物能夠根治小腦萎
縮症，患者最初的病徵包括平衡

力和動作反應變差、肌肉不協調
等，至後期會不能走路，甚至喪
失說話能力。「直至今日劇《一公
升眼淚》出現，劇中女主角身患
小腦萎縮症，才逐漸喚起香港社
會對這個病的關注。」陳校友一
直以果蠅及小鼠作研究模型，多
年的努力終為這絕症的治療帶來
重大突破，並憑此獲頒中大青年
學者研究成就獎。

成功背後 毅力、批判、創新

年紀輕輕的他已取得驕人成就，
陳浩然校友認為科研人員應具備
甚麼素質呢？答案是毅力、批判
思考和創新思維。

陳校友指：「永不放棄的精神，
是進行科學研究至為重要的一
環。」所謂不屈不撓的精神，即
是即使第一次實驗失敗了，還要
做第二次、第三次……一直做到
成功為止。

屢敗屢戰的同時，陳校友提醒我
們在每一次實驗失敗後，均必
須反問自己哪裡出錯、哪部分考
慮不夠全面、哪處仍有改善空間
等。「否則，若你站在錯誤的道
路上，即使重做一百萬次也不可
能成功。」古語有云：「差之毫
釐，謬之千里」，科學研究中每
一個精細部分，都不能夠忽略，
否則可能引致不同的實驗後果，
因此批判思考尤為重要。

最後是創新思維，不僅藝術和設
計工作需要它，這對科學家來說
同樣是不可或缺。「不是教科書
上的經典實驗，才是成功的實
驗。」陳校友認為科學家不應被
任何框架限制，反而應當有勇氣
去尋求創新和突破，研究才能超
越前人。

我們相信，一個人取得成功絕不
能只靠運氣；而陳浩然校友所
憑藉的就是過人的勇氣和堅毅的
信念——相信自己、相信研究團
隊、相信神的勇氣。對於未來，
陳校友表示他仍會繼續專注於小
腦萎縮症研究，期望為患者帶來
更多喜訊。

ur Pride

A Labour of Love

的話

給學弟、學妹

在回憶銀禧校園生活時，陳校友說印象最深刻的，除了是良好的學習氣氛，還有五花八門的學會和課外活動。他寄語學弟、學妹在努力讀書之餘，也要顧及全人發展，應該盡量接觸更多不同的人與事，才能不斷學習新事物，裝備自己以面對迎面而來的挑戰。

ur Pride

A Labour of Love

文：馮穎而

張子惇先生

生命的路軌

張子惇校友，一名鐵路工程師，曾經獲英國工程及科技學會直接委任為亞太區主席，身兼多職：社企主席、香港工程師學會分部主席、大學講師……「成功」這形容詞，用在他身上，他當之無愧。不過，秉持銀禧謙虛精神的張校友，卻有以下回應：「我絕對算不上『成功』，只是擁有二、三十年的工程經驗，希望能夠把自己的經歷與後輩分享而已。」

張校友形容銀禧的學習氣氛濃厚，與同學一起為升讀大學而努力。

成功的第一步

何明華會督銀禧中學，對張校友來說，有著非一般的意義。他回想在銀禧七年的學習生涯，印象最深刻是一次在實驗室裡的「烏龍」事迹。「在就讀預科的某一天，我和同學在實驗室裡打籃球，不小心用手臂打碎了實驗儀器的特製玻璃。」張校友當時顧不了手臂的傷勢，只想著闖禍了會被老師懲罰。「沒想到老師進來後，第一時間關心的不是昂貴的實驗儀器，而是很緊張的詢問我的手臂有否受傷。」

除了老師和同學之間的情誼，銀禧帶給張校友的最大感受是學習氣氛：「銀禧為我和同學們提供了一個良好的學習環境，整個校園充滿著濃厚的讀書氣氛。」他憶述當時同學間十分團結，每一位同學均為著升讀大學而努力。正因為這種良性競爭，加上自己堅持不懈的努力，張校友最終成功入讀香港大學電機工程系，踏上工程師的道路。

張校友的目標，很早就鎖定在工程界：「我的父親也是一名工程師，也許因為父親的關係，我從小便十分熟悉工程這行業。再加上我特別喜歡偏重邏輯的學科，例如數學、物理等科目，於是早已立志成為工程師。」張校友又補充，他從小對電腦情有獨鍾，但當時電腦的發展仍未普及，香港的大學尚未開設電腦工程科系，因此便選擇了性質最類近的科目——電機工程。

「我很享受當一名工程師」

「要得驚人藝，須下苦工夫」，這道理人人皆曉，但成功與否卻視乎你能否堅持。「很坦白的說，工程師是一份辛苦的職業。」後悔當初的選擇嗎？「這倒沒有，我很享受當工程師的過程！以前如是，現在也如是。」張校友在分享於港鐵工作的經歷時，我感受到他對工程這行業的熱愛。

「我們每晚都必須在短短三個小時內，完成所有鐵路的維修保養工作，確保早上乘坐港鐵的幾百萬香港市民，能夠順利上班。」

在無數個寧靜的晚上，當我們正沉醉於甜夢的時候，鐵路的工作人員均正在分秒必爭，確保我們早上的出行而努力。「雖然每天實際工作的時間只有三小時，但鐵路工程師在白天同樣不能鬆懈，我們必須為半夜的維修工作做好萬全的準備，否則稍有出錯便影響重大。」

著名英國哲學家羅素曾經說過：

「偉大的事業是源於堅韌不斷地工作。」張校友除了擔任公司總裁外，同時擔任了不少公職，包括工程及科技學會亞太區主席、

香港工程師學會分部委員等，驅使張校友堅持不斷工作的動力，正是他對工程工作的熱誠。「我在獲委任為工程及科技學會亞太區主席的當下，心情是愉快的。我的快樂並不源於那個頭銜，而在於我能夠為工程界出一分力。」

此外，張校友亦不時到大學的工程學系講課：「我希望能夠將自己的經驗，多與後輩分享。這同時幫助我了解年輕工程師的想法，令我更緊貼時代急速變遷的步伐。」

向著未來的標杆直跑

有多重身份的張校友，生活想必十分忙碌，他對時間管理這個課題抱持深刻見解：「在現今社會，有甚麼人是不忙碌的呢？但忙碌並不是藉口，只要懂得妥善分配及安排時間，就不會把生活弄得一團糟了。」時間，就像是海綿裡的水，只要願擠總會有的。

在張子惇校友身上，我們深深體會到「有志者，事竟成」這句話的真諦。期待在不久的將來，我們這代銀禧人也能好好的努力，向著標杆直跑，對社會作出貢獻。

「信仰，
讓我的人生得到依歸。」

生命支柱——上帝

張校友在訪問的尾聲，提及他對上帝的看法。「信仰，讓我的人生得到依歸。」張校友說，人生總有高低起伏，但全因上帝的存在，幫助他一一跨越難關。

他坦言自己屬於偏向理性的一群，起初並不認同上帝的存在：「沒有公式可以解釋得到吧！」直至他在銀禧的佈道會上決志，對宗教加深認識後，才確信祂真的存在。「每個人均有感性的時候，就像我們看電影會哭一樣，這種反應也沒有公式可以解釋。」

張校友與家人合照。他的太太及三名兒子均為「銀禧人」。

OP OP OP OPPA GANGNAM STYLE...

Members of the four houses danced to "Gangnam Style" during the annual Athletics Meet.

18

The Korean song "Gangnam Style" has been such a great hit that its music video gets thousands of views on YouTube every day! Everybody loves the song and dances to it, but have you ever thought about the underlying message of the song and what we can learn through its popularity?

www2.turnto10.com

Gangnam is a posh and modern place in Seoul, South Korea. In the music video of "Gangnam Style", PSY, the singer dances in a number of luxurious places such as spa salons, yacht and famous tourist spots. The lyrics is a satire of the lives of rich South Korean men whose life revolves around courting girls and feeling cool about oneself. The song is a reflection of what common South Korean people think about the upper class who are time wasters and making no real contribution to the society.

Globalization

Despite the fact that "Gangnam Style" is performed by PSY, who is a South Korean artist, it has become a hit worldwide and even got onto the top 3 position of the symbolic U.S. Billboard chart. The song is so popular that even the executive chairman of Google, Eric Schmidt, and a lot of celebrities such as Britney Spears, went "Gangnam Style"! Looks like Korean pop culture has swept the world under its feet.

Britney Spears and PSY went "Gangnam Style" on Ellen Show.
www.collegecandy.com

Gangnam Style Lyrics translation (extract)

A girl who is warm and humanly during the day
A classy girl who knows how to enjoy the freedom of a cup of coffee
A girl whose heart gets hotter when night comes
A girl with that kind of twist
I'm a guy
A guy who is as warm as you are during the day
A guy who one-shots his coffee before it even cools down
A guy whose heart bursts when night comes
That kind of guy
Oppa is Gangnam style, Gangnam style
Oppa is Gangnam style, Gangnam style
Oppa is Gangnam style
Sexy Lady, Oppa is Gangnam style
Sexy Lady oh oh oh oh
A girl who looks quiet but plays when she plays
A girl who puts her hair down when the right time comes
A girl who covers herself but is more sexy than a girl who bares it all
A sensible girl like that
I'm a guy
A guy who seems calm but plays when he plays
A guy who goes completely crazy when the right time comes
A guy who has bulging ideas rather than muscles
That kind of guy
You know what I'm saying
Oppa is Gangnam style

19

學者樂也

謝易庭 3E

「知之者不如好之者，
好之者不如樂之者。」

「知之者不如好之者，好之者不如樂之者。」這是孔聖人說的。這句話充分表現了以快樂的心態去求學是最有益身心，最有成效的。

然而，雖然今天有很多人去學習，但仍然有不少人的學習心態都是為了爭名次，只顧著自己日後的名利，因此這亦令到成績差的學生覺得前途一片灰暗，感到絕望。

我從前就是這種心態，後來我覺得當我學習時，心裡面奇怪地有一種想尋根問底的意欲，對知識的追求產生了興趣。我漸漸覺得追求知識好比在電腦遊戲中取得武器一樣吸引我。久而久之，我才發現我以前忽略了享受學習的過程。

當我快樂地學習，自己的成績卻比以往較佳。為何呢？是不是因為享受著學習的過程呢？肯定是的，肯定是的！但是，就像勞倫斯剛發明原子衝擊器時，人家叫他去申請專利發大財，他也沒去，只埋頭繼續享受在實驗室衝擊原子一般，對我而言，成績如何也不重要了，因為我最有滿足感的是取得自己「武器」。

其實，學習就是跟朋友一塊兒分享知識的趣味，一起探索知識的神秘，豈不又刺激，又快樂嗎？可是現在不少人沒有視知識如朋友，反而當他是追求名利的工具，那就當然勝不了視知識如知己的「樂者」了！然而，那些無心向學的人，只是還未熟悉知識這良友罷了。

知識是埋在地下的寶藏，充滿神秘感，找到以後更讓人心花怒放，因此當我們學習時，自然會樂在其中，而不會感到沉悶或討厭。其實當我們樂於追求知識，在社會上不就自然是成功的人嗎？

謝同學的作品

於第十三屆世界華人學生作文大賽榮獲

一等獎

Change

*As fierce as a warlord's heart,
As cold as an assassin's art,
As wild as a Songjiang market,
It roared.*

*I stood on the bank,
Watching this moment,
Where the world turned around,
And everything changed in just one moment.*

*The stormclouds rushed to the shore,
Like a crowd of determined athletes,
Like the flocks of birds that came before it.
It streamed toward the dense city centre.*

*It stole from everyone in Old Shencheng that night,
Reminding us all at once of destruction, of time
passing.
And it made us gasp in wonder:
In Shanghai, you get used to being the centre of
power.*

Christopher Tse Ho Kan 2E

Christopher's poem was submitted for the 2012 Hong Kong Young Writers Awards competition. The theme of the competition that year was 'New Tales of the Yangtze River'. His work was selected as one of the best which will be included in the anthology published for the 2012 Hong Kong Young Writers Award.

The best study companion!

Welcome!

New teachers and staff members at BHJS

Our warmest welcome to new teachers and staff members who have joined the BHJS family this school year! We're delighted to have invited them to share something about themselves with us. Look at their lovely pictures and **guess who they are** while you are reading what they say.

1

+ Tips: I love reading fantasy novels and sci-fi. I enjoy watching Japanese animation too. Steven Erikson is one of my favourite novelists.
English teacher

2

+ Tips: I like reading, watching drama, playing squash, swimming and cycling. Pai Hsien Yung (白先勇) is the writer I admire.
Chinese teacher

3

+ Tips: The person I admire most is Aung San Suu Kyi (昂山素姬) because of her perseverance. I'm called Joe, a name given by my grandfather.
English teacher

4

+ Tips: I like computer science and watching sci-fi movies. I think Louis Cha Leung Yung (金庸) is a fantastic writer.
Computer Literacy & ICT teacher

6

+ Tips: I like playing the piano and the giraffe is the animal I love most. I worked at the Disneyland in the USA and the Hong Kong International Airport for my internship when I was doing my degree in Tourism Management. That was a special experience.
History, Chinese History & Tourism & Hospitality Studies teacher
An alumnus

5

+ Tips: My name JOBI is formed by my mum's four favourite letters. I think students at BHJS are well-behaved and polite. Some can be more active, though.
Biology, Liberal Studies in English & Liberal Studies teacher

✦ Tips:

I go hiking in my spare time. I appreciate Chris Patten, the last Governor of Hong Kong before the handover. His speeches were so powerful and impressive. I love eating snacks, like Garfield, my favourite cartoon character.

English teacher

7

12

✦ Tips:

I admire Steve Jobs and Stephen Hawking. They are impressive figures.

IT Technician

13

✦ Tips:

I'm from the Mainland and I finished my Master's degree at the University of Hong Kong last year. I'm now an assistant helping teachers to use ICT in classroom. In my spare time, I enjoy listening to classical music. I love to read Jane Austen's novels and doing handicrafts too.

Manager Trainee, ICT in Education

✦ Tips:

I love reading. Students here are nice and friendly. I'm happy to be teaching here again.

Chinese teacher

8

✦ Tips:

I have worked in TVB and Cable TV as a sub-editor. I'm glad to be working in BHJS with a new identity. Sodagreen is my favourite band. Their passion for music is what I appreciate most.

Liberal Studies teacher
An alumnus

9

✦ Tips:

I'm a mother of two kids, a six-year-old boy and a two-year-old girl. I love spending time with my children. Everyone here at BHJS is so lovely. It has such a warm and welcoming environment.

English teacher (NET)

10

11

✦ Tips:

I once studied at BHJS and now I'm helping with the work of the school campus TV. I've worked in a TV station before. I've a son who is now 23 and a 25-year-old daughter. I love photography, hiking and cycling.

Technician (Campus TV)
An alumnus

PTA News

Parents' Meeting on 16 October, 2012

Our Acting Principal, Ms Wong explained the development plans of the school in the parents' meeting.

The Influenza Vaccination Programme organized on 26 October 2012 at our school campus.

Student Union Election

Five candidate cabinets ran for the SU election this year. Under our "one student, one vote" system, ALOHA was elected as our new Student Union on 14th September, 2012.

I was not
born to *myself*
alone.
