## Principal's Message

Happy New Year! May God grant you peace, happiness and good health in this new year.

After joining the BHJS family for a few months, I am pleased to have different opportunities to get in touch with the students. I found that they are sincere and well-mannered. Not only do they strive for academic excellence, many of them are also talented in music, sports, drama, debate etc. They have been actively engaged themselves in various competitions and attained commendable results.

Inspired by our servant leader, Bishop Hall, the founder of BHJS, Jubileans are committed to community services. I am greatly impressed by students' dedication to serve others. For example, all Form 3 students are engaged in a year-long service learning programme with Mary Rose school. Our school also collaborates with the Amity Foundation to provide electricity to two Cambodian primary schools. It was a touching moment for teachers and students from the two places to connect and exchange with one another in a recent zoom meeting.

The COVID-pandemic has upended our lives for almost three years and we have been facing many challenges arising from the pandemic. However, we are grateful to God that there are blessings and grace in this trying time. We were pleased to be able to resume whole-day school in mid-November as there was a special relaxation of vaccinations requirement in Hong Kong schools. However, from 1 February onwards, we need to have 90% of students having three doses of vaccination in order to continue with the whole-day school arrangement. Therefore, I must appeal to parents to arrange your children to receive the third dose if they haven't had it yet, so that students could continue to attend the whole-day school, to have more time to connect with their peers and engage in various after-school activities from February onwards.

In this Newsletter, we are pleased to share some highlights of the important school events that took place in the First Term to you. We hope you can get a sense of the talent, passion and commitment from our school.

October

On 7th October, our Chinese Drama Team showcased an original script written and performed by themselves (“Six Minus One Equals Zero”). It was part of the celebration for the 60th anniversary of our school.

### *Chinese Drama Performance*

From 19th-20th October, the school arranged different adventure-based activities for students to learn outside the classroom. After all the activities and competitions, trust and confidence were built among students. Both teachers and students had lots of fun!

### *Student Activity Days*

11  
November

## Speech Day

On the 19th November, the annual Speech Day was held successfully. It was the most awaited yet emotional event for all the graduates of Class 2022. As the graduate's time in BHJS ends, we wish them all a prosperous future!

## Student Activity Days

On the 24th November, the school held the third student activity day. The school arranged different sports games and the teachers-students busking. Both students and teachers have shown great sportsmanship and talented voices.

## Guidance Week

From 21st-30th November, the guidance committee collaborated with SU Voyager to organise a series of guidance activities, like the inter-class paper airplane competition and the teacher-student busking.

## December

### *P6 Information Day*

On the 11th of December, BHJS held the annual information day and open day. Students and school staff of all sectors warmly welcomed the primary student and parent guests. Our guests knew more about BHJS after our tour exploring the campus.

### *Gospel Month*

Throughout December, BHJS' Christian Union organized a series of activities and talks, aiming to spread Christianity to our students. Over the course of December, students knew more about the love and teachings of God.

### *Christmas Concert*

On the evening of the 21st of December, BHJS collaborated with LSC to perform a stunning 3 hour Christmas concert. BHJS' Hellen Wong Hall received a full house audience that evening.
