PRINCIPAL'S MESSAGE

Dear Parents, Students and Friends of BHJS Community,

As we wrap up another term, I want to take this opportunity to reflect on the tremendous journey we have shared over the past months. It has been a time of growth, achievement, and teamwork, and I am continuously inspired by the spirit of excellence and collaboration that defines our school.

At BHJS, we remain committed to our key concerns which serve as guiding principles in our pursuit of educational excellence:

- *To enhance students' learning capacity and scholastic competence through comprehensive strategies in teaching and learning.*
- *To instil positive values and lifelong aspirations into students and nurture them to become future leaders with a national and global mindset.*

To our amazing Jubileans — you are the heart of our community. Your curiosity, dedication, and resilience breathe life into everything we do. Each of you has made meaningful strides, and I couldn't be prouder of your efforts.

To our supportive families — your partnership and encouragement are the foundation of our success. Thank you for being an integral part of our school's journey and for your unwavering commitment to our students' education and well-being.

To our dedicated staff — your passion and commitment continue to drive our school forward. As educators, mentors, and role models, you play a vital role in guiding and inspiring our students, and I deeply appreciate all that you do.

As we look ahead, let us take pride in what we have accomplished together and embrace the opportunities that lie before us. I encourage everyone to take time during the upcoming break to relax, recharge, and reflect on the special moments that have made this term so meaningful.

Thank you for your continued support, and I look forward to welcoming everyone back for another exciting chapter of learning and discovery.

Best wishes,

Ms. Vicky Law
Principal

KEY HIGHLIGHTS

JAN- JULY 2025

Chinese Week

The Chinese Week took place from February 10 to 12, featuring many exciting new activities. Students were very creative! A hanfu design competition was held where F.1 and F.2 students showcased their amazing designs. Class 1B won first place, while classes 1D and 1E took second place. In F.2, class 2E won first place, with classes 2D and 2A coming in second and third. Additionally, the Chinese Ambassadors organized traditional games, food workshops, and Chinese medicine consultations, helping everyone learn more about Chinese culture. Thank you to everyone who participated!

Book Fair

Our annual book fair from February 18 to 22 brought a delightful aroma of books to the school! With an impressive selection ranging from novels to translated works, there was truly something for everyone.

A standout moment was psychiatrist Dr. Cheung Ngo's writer's talk on February 19, where he shared valuable insights on mental health. With the fair's conclusion, coinciding with Parents' Day for F.1 to F.5 students, numerous parents were attracted. Reference books were particularly popular that day!

Thank you to everyone for your support! We hope all students discovered their favourite reads!

KEY HIGHLIGHTS

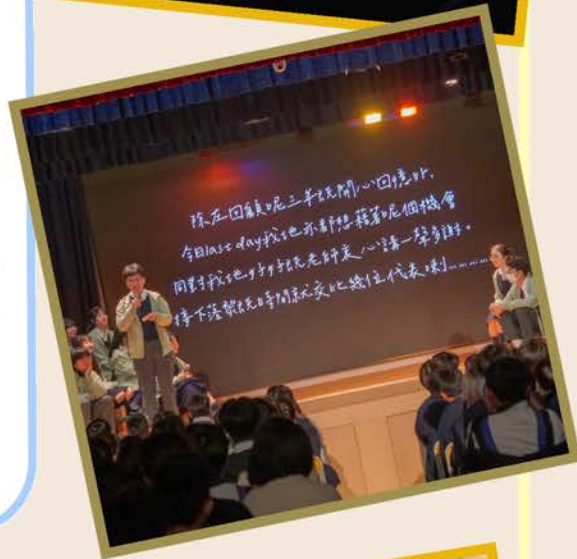

JAN- JULY 2025

F.6 Farewell Assembly

On February 26, BHJS held the F.6 Farewell Assembly, marking the end of their school days as they began study leave for the DSE. Each class showcased a video reflecting on their three-year journey, expressing gratitude to those who supported them.

A special video featuring heartfelt messages from current and past teachers was also presented, offering congratulations and encouragement. The assembly concluded with a prayer led by Principal Ms. Law, wishing the students strength for their upcoming challenges.

The Parent-Teacher Association distributed thoughtful gift bags filled with love and care. We extend our gratitude to Principal Ms. Law, the Guidance Ambassadors, the Student Union, the PTA, and all teachers for their unwavering support. Best wishes to all Form 6 students for their future!

KEY HIGHLIGHTS

JAN- JULY 2025

Guidance Week

The second Guidance Week of the 2024-2025 academic year, held from March 4 to 6, celebrated the "4R Mental Health Charter" — Rest, Relaxation, Resilience, and Relationship.

Students enjoyed a delightful floral tea experience, brewing their favorite varieties while learning to unwind. They got creative making teddy bears from towels and indulged in fresh fruit and popcorn provided by the Parent-Teacher Association. The "Rainbow Toss" game encouraged resilience, and the "Wellness Express" workshop allowed students to craft *ema* (votive tablets) to share their hopes. To conclude the week, popular singer Mr. Chau Yan Ting inspired students with his personal journey.

A big thank you to everyone who made this week special! Students left with valuable insights into mental health and personal growth.

The EMI Drama Fest 2025

Inspired by last year's session to write their own script, the BHJS English Drama Team presented an original production titled "The Price." Their hard work paid off, earning both the Outstanding Teamwork and Outstanding Creativity awards at the EMI Drama Fest 2025: Modern II session on March 12, organized by the Association of English Medium Secondary Schools.

A special thank you goes to Ms. Iqra, Ms. Fung, and Mr. To, the dedicated teachers-in-charge, for their tireless efforts in preparing the students. We hope the English Drama Team gained valuable insights and experiences from the EMI Fest. We look forward to more opportunities for our students to showcase their talents and inspire their peers, nurturing a vibrant performing arts culture at our school.

KEY HIGHLIGHTS

JAN- JULY 2025

Athletics Meet

The Athletics Meet was held at Kowloon Tsai Sports Ground on April 11 and April 24. The event kicked off with Principal Ms. Law leading the opening ceremony on April 11 to the sound of applause and cheers from our schoolmates. The competitions commenced shortly after with athletes participating in a variety of track and field events. Personal records were shattered as schoolmates pushed their limits, showcasing their best abilities. Green House was announced as the overall champion at the conclusion of the event on April 24. We were honoured to have Ms. Lau Ching Man Mandy, a current rowing coach and a former professional rowing athlete for the Hong Kong Team, deliver a speech on the deeper meaning of sports. Our heartfelt gratitude goes to our teachers, student helpers, and janitors who worked tirelessly to ensure the smooth running of the Athletics Meet. Special thanks to Ms. Lau, Mr. Choi, and Mr. Yau for their exceptional organization of this event. We extend our gratitude to Kowloon Tsai Sports Ground for their support in ensuring a smooth event, allowing our students to create precious memories.

KEY HIGHLIGHTS

JAN- JULY 2025

F.3 Electives Consultation

The annual F.3 Electives Consultation Day on May 13 proved extremely helpful for F.3 students making their subject selections. Our senior F.5 students thoroughly explained the characteristics of each elective subject and patiently answered their juniors' questions, effectively guiding them to choose the most suitable subjects.

F.4 - F.5 Careers Fair

On April 12, our committee hosted a Careers Fair for all F.5 students. We were fortunate to have numerous alumni from diverse fields, such as doctors, engineers, lawyers, and accountants, return to share their valuable experiences. This event was a great success, providing students with a clearer understanding of future career planning.

F.5 Careers Talk

On the evening of May 16, F.5 students and their parents gathered in the school hall for a F.5 Careers Talk organized by the Careers and Life Planning Committee. After an opening address by Principal Ms. Law, Ms. Ho, Mr. Leung, and Mr. Li provided detailed explanations of the Joint University Programmes Admissions System (JUPAS), various higher education pathways, and available school support resources. This talk was crucial for students as they plan their post-secondary education journeys.

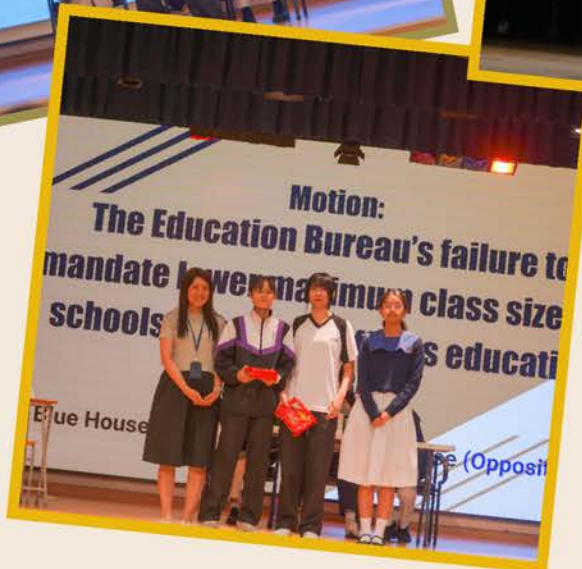

KEY HIGHLIGHTS

JAN- JULY 2025

Post-exam Activities

As the exam season concluded, various post-exam activities had been held successfully, allowing students to unwind and have fun. Performance-related activities such as the English Drama and Chinese Drama Performances, as well as the Dancing Contest, Singing Contest and Talent Show, allowed students' skills to shine, while displaying vibrant and enjoyable performances. Various competitions were also held, such as the English Debate and Chinese Debate Competitions and Basic Law Quiz Competitions.

KEY HIGHLIGHTS

JAN- JULY 2025

Leadership Training Camp

We are so incredibly thankful for the recent Leadership Training Camp held at school from July 8th to July 9th! It was an amazing opportunity for us, the students who were selected, to grow and learn.

Organized by the Discipline Committee, Guidance and Counselling Committee, and Student Union, the camp truly helped us enhance our leadership skills, cooperation, and teamwork. We participated in various activities designed to challenge and develop us. The experience was invaluable, providing us with practical skills and a deeper understanding of what it means to be a leader.

Thank you so much to everyone involved, especially the teachers-in-charge, for organizing such a beneficial and memorable camp! We truly appreciate the chance to develop ourselves.

KEY HIGHLIGHTS

JAN- JULY 2025

Summer Concert

The Annual Summer Concert, held on July 5, was a dazzling display of the united musical brilliance of our students. The Senior Mixed Choir, Senior Boys Choir, Senior Girls Choir, Junior Choir, and Symphony Orchestra all performed exceptionally, showcasing their dedication and talent.

We extend our deepest gratitude to our Music Teacher, Mr. Ng, and all the talented artists who contributed to this memorable event. Your invaluable contributions and tireless efforts were instrumental in making the concert a resounding success and a true highlight of our school year!

KEY HIGHLIGHTS

JAN- JULY 2025

Talent Show

On July 7, the Student Activity Ambassadors (SAA) hosted the annual inter-house talent show, which captivated both students and teachers. The event showcased a variety of outstanding performances from each of the four Houses, including singing, dancing, and instrumental music, highlighting the remarkable talent within BHJS. Each act radiated creativity and passion, leaving the audience in admiration and applause, fostering a strong sense of unity among all attendees. This talent show was a joyful celebration of creativity and school spirit, creating an unforgettable experience for everyone involved. Congratulations to Red House for winning the overall championship of the Talent Show!

STUDENT-LED ACTIVITIES

BHJS CONTRAIL

PAPER PLANE FLYING EVENT

Contrail, the Student Union, in collaboration with the Guidance Ambassadors, organized the Paper Plane Flying activity for Guidance Week. The paper planes carried the wishes and aspirations written by students as they were released into the wind. This followed the speech from our Principal, Ms. Law, on the importance of the 4Rs (Rest, Relaxation, Relationship & Resilience). Both students and teachers thoroughly enjoyed this mentally healing event.

JOINT SCHOOL PEN FRIEND PROGRAMME

Starting from October, Contrail partnered with the student unions of St. Mark's School and Po Leung Kuk Laws Foundation College to give students the opportunity to make friends with students from outside BHJS. Jubileans regularly exchanged letters of thoughtful words with their pen friend by putting pen to paper, and had to wait a few weeks to get a reply from their pen friend—a quite special and meaningful way to get to know a friend in modern times.

DODGEBALL COMPETITION

Contrail organised the Dodgeball Competition in November. The event saw teams of energetic students striving for the championship in a series of exciting matches throughout the tournament. Spectating friends and classmates also shared the fun of the games. Cheers could be heard loudly from the playground during all the matches as the campus was overwhelmed with excitement and energy. On the final day of the competition, the winning team got to have a rewarding final match with the teachers team!

STUDENT-LED ACTIVITIES

BHJS CONTRAIL

CASUAL WEAR DAY

CASUAL WEAR DAY

Time flies, and the jolly Christmas arrived right at the corner! Jubileans were exhilarated to dress in casual clothes and take stunning photos with friends on the last school day before the Christmas holidays in 2024.

JOINT SCHOOL CHRISTMAS BALL

On the night of Christmas Adam, Jubileans, along with students across 8 secondary schools, grasped the rare opportunity to enjoy the festive Christmas Ball DOUCEUR co-organised by Contrail. Friends were made, new faces were seen and memorized — it was genuinely a noteworthy event!

JOINT SCHOOL STUDENT EXCHANGE PROGRAMME

Several students from Sheng Kung Hui Lam Woo Memorial Secondary School enjoyed a three-day exchange at BHJS, organized by Contrail. They attended classes, toured facilities like our Chapel and STEAM room with their Jubilean buddies, and participated in activities like Robomaster. A special lunch with Principal Ms. Law also took place. This exchange forged new friendships and shared unique school cultures.

STUDENT-LED ACTIVITIES

BHJS CONTRAIL

NEW YEAR MARKET STALL

This year, our students ran a vibrant Lunar New Year market stall from January 23 to 28, at the Mong Kok Flower Market. The event drew many alumni and parents, creating a lively and festive atmosphere! From concept to execution, our students managed every aspect of the stall, making it not only a memorable experience but also a valuable opportunity for learning and growth. We are thrilled to announce that the event not only generated profits, but all proceeds will be donated to our school and charitable organizations, contributing to the greater good!

Special Thanks: We extend our heartfelt gratitude to the PTA and Alumni Association for their financial support, all the enthusiastic parents and alumni who attended, and to our dedicated teachers—Mr. Leung, Mr. Lam, Mr. Lee, Ms. Hau, and Mr. Choi—for their invaluable guidance. Your efforts made this event a tremendous success!

STUDENT-LED ACTIVITIES

Contrail

BHJS CONTRAIL

大自然的饋贈
Mother Nature

Competition Details

PHOTOGRAPHY COMPETITION

This year, the theme of the photography competition is Mother Nature. This theme reminds us to take a moment to contemplate, we'll notice that even in crowded city streets, nature still finds ways to take care of us. Instead of following environmental protection rules like robots, let's take the time to reconnect with nature. Through photography, share your experiences with nature and let's celebrate the beauty that surrounds us and remind ourselves of our connection to the environment.

SINGING CONTEST

On June 27, the Student Union hosted an exciting Singing Contest! Over ten contestants poured their hearts into their performances, showcasing incredible talent and creating an electrifying atmosphere!

A special thank you to the renowned music duo FAMA (Chinese: 農夫) for joining us as judges and delivering an amazing guest performance! We'd also like to express our gratitude to Mr. Leung, Mr. Lau, and Mr. Wong for their fantastic guest performances, which truly elevated the event!

STUDENT-LED ACTIVITIES

BHJS CONTRAIL

DANCING CONTEST

On July 3, Contrail held the Dancing Contest, in which the spotlight was shown on the incredible dancing talent in BHJS. Congratulations to all performers for putting up a good show after their diligent training.

Special thanks goes to guest judge and performer Lydia, 奶茶. We hope our young dancers are able to pick up some tricks from this experience.

JOINT-SCHOOL DETECTIVE GAME

On July 4, Contrail held the Joint-school Detective Game in collaboration with Wa Ying Collage. Participants from both schools worked together to solve a mystery, uncovering the intricate plot designed by the two organising Student Unions.

Through teamwork and discussion, students built a rapport with peers across schools, while also training their reasoning skills at the same time.

LEARNING BEYOND THE CLASSROOM

大灣區職涯探索之旅

1月15至16日，40位中四同學和4位班主任參與了教育局安排的大灣區職涯探索之旅，讓同學感受廣州的魅力及更瞭解大灣區的商業環境和未來前景。

首先，同學參觀銳豐科技公司，除了欣賞他們的音響產品和感受獨特且印象深刻的公司文化，接著，我們造訪了Timetable粵港澳青年創新創業基地、新華港澳國際青創中心和南沙國際人才港，真心體會到當地對初創公司的全力支持，讓同學們對國家的未來科技發展充滿了期盼。

旅程的尾聲，同學來到了南沙圖書館，這裡的設計靈感來自文房四寶中的墨硯，更融入了人工智能的元素，讓我們看到了傳統與現代的融合設計模式。

同學們在分享中都表示他們對大灣區的商業環境和未來前景有更深了解。最後要特別感謝所有帶隊老師和工作人員的用心安排，使旅程更添精彩！

LEARNING BEYOND THE CLASSROOM

F.5 CS Mainland Study Tour

From January 15 to 16, F.5 students embarked on an enriching study tour to Zhongshan and Zhuhai, focusing on southern China's cultural heritage and social development.

Day 1 began at Wugui Mountain Hakka Village, where students explored traditional Hakka roundhouses and enjoyed local Hakka cuisine. They then visited the Zhongshan Museum to learn about the region's history, concluding with a stroll along Sun Yat-sen Road Arcade.

Day 2 featured the iconic Zhuhai Fisher Girl statue and the Zhuhai Grand Theatre, highlighting the coastal scenery. The tour wrapped up at Hui Tong Ancient Village, deepening students' appreciation for cultural diversity. We look forward to future enriching experiences!

This tour not only enhanced students' knowledge of citizenship and social development, but also fostered a deeper appreciation for the cultural diversity of our motherland. We look forward to more enriching experiences in the future!

LEARNING BEYOND THE CLASSROOM

F.I Camp

Our F.1 students had an amazing experience at the Hong Kong Baptist Convention's Baptist Garden from January 14 to 16, focusing on teamwork, friendship, and confidence-building.

With the support of seven dedicated teachers, students enjoyed thrilling activities like high-altitude adventures, Roman trebuchet challenges, and nighttime explorations. Each day was filled with fun and learning.

A highlight was seeing our teachers participate in the high ropes challenge, strengthening our connection and support for one another. These moments fostered both personal and team growth for our F.1 students.

We extend our heartfelt thanks to the Baptist Garden staff and our teachers for their hard work. Their support helped our F.1 students create unforgettable memories. We look forward to more opportunities to continue growing and embracing new challenges together!

LEARNING BEYOND THE CLASSROOM

STEAM One Day Tour

On January 18, our school, in collaboration with the Join Publishing Cultural Fund, organized a study tour to Shenzhen, focusing on innovative startups.

In the morning, students and parents visited SenseTime, a leading AI company, where they experienced cutting-edge products across various industries.

In the afternoon, we explored the Shenzhen Planning Exhibition, learning about the city's transformation into an innovation hub. Next, we visited DJI, discovering its journey from a dream to a global leader, and explored various drones. The day concluded with a robotics match featuring Robomaster, an educational robot by DJI. Participants found the STEAM tour both educational and rewarding, with overwhelmingly positive feedback.

LEARNING BEYOND THE CLASSROOM

Visit to Science Park

To enhance students' understanding of Hong Kong's innovation and technology (I&T) startups and inspire interest in STEAM subjects, the Kowloon City District Office organized a visit to Science Park on December 12. Four enthusiastic F.3 students participated in this event, exploring a variety of startups focused on automated systems, medical instruments, and nanomaterials.

This enriching experience offered students valuable insights into the workings of startups and ignited their passion for the I&T industry, encouraging them to pursue their interests in science and technology further.

LEARNING BEYOND THE CLASSROOM

Visits to Dachser Hong Kong Limited, PricewaterhouseCoopers (PwC) and Deloitte

F.4 and F.5 BAFS students gained invaluable real-world experience through recent company visits to Dachser Hong Kong, PwC, and Deloitte. Organized by the Career Planning Team, these tours allowed students to see business operations firsthand, from Dachser's warehouse to the offices of two "Big Four" accounting firms.

Students engaged directly with company leaders, receiving career advice and insights into Hong Kong's future business landscape. The visits successfully connected classroom learning to practical application, greatly enhancing students' understanding of the corporate world and illuminating future career possibilities. A special thank you to Mr. Leung for all his hard work in organising the tours and host companies.

LEARNING BEYOND THE CLASSROOM

F.4 Camp

What an incredible experience our F.4 students had at the Cheung Chau camp from June 19 to 21! It was three days and two nights filled with teamwork, laughter, and amazing new friendships.

Guided by our wonderful teachers and dedicated coaches, we dove into various challenges, learning to trust each other and honing our communication skills. It wasn't about winning every game, but supporting our teammates and striving for our best. This experience truly transformed us from classmates into a close-knit family.

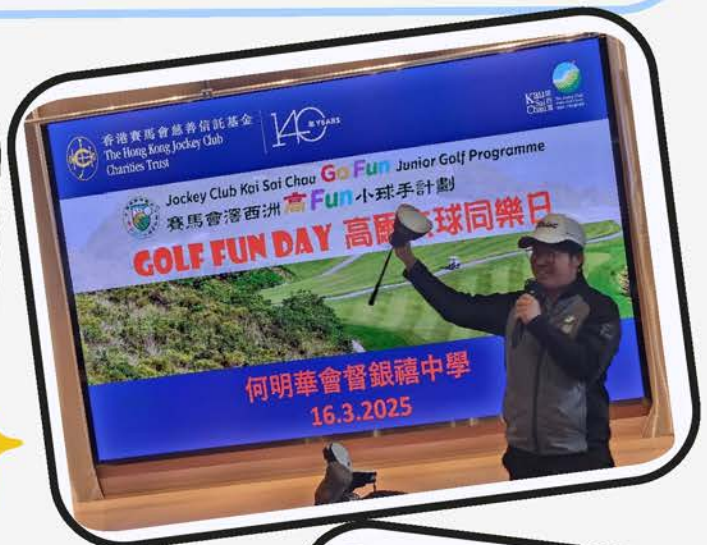

We extend our heartfelt thanks to the coaches and staff at the Don Bosco Youth Centre, and a huge thank you to our teachers for planning and accompanying us. The F.4 camp was a journey of self-discovery and connection. We've returned with cherished memories, a deeper appreciation for teamwork, and a stronger bond.

LEARNING BEYOND THE CLASSROOM

Jockey Club Kai Sai Chau Golf Fun Day

On March 16, a group of Jubilee students, parents, and teachers gathered at Chiu Sai Wan for a golf experience. Everyone had the opportunity to learn and practice swing techniques on the lush green course. The day was made even more enjoyable with a delicious buffet lunch, making it a memorable occasion for all!

LEARNING BEYOND THE CLASSROOM

Visit to Koln 3D Medical Manufacture Limited

Five Biology students recently had the opportunity to visit Koln 3D Medical Manufacture Limited, the first medical metal 3D printing company in Hong Kong. During their visit, they delved into the complex processes of designing and printing metal implants, especially for patients facing conditions like bone cancer. Observing the collaboration between technology and biology, the students developed a deep appreciation for how precise engineering is transforming healthcare and positively impacting individuals in need.

This experience also sparked their interest in potential career paths within this innovative field, revealing the exciting opportunities that exist at the intersection of biology and cutting-edge medical technology.

LEARNING BEYOND THE CLASSROOM

Cambridge Model United Nations

From January 30 to February 4, 14 F.3 to F.5 Jubileans participated in the Cambridge Model United Nations, joining nearly 300 students worldwide. This year's theme, "Rethinking Global Solidarity: Including the Excluded," sparked engaging discussions as delegates from various countries tackled real-world challenges.

The event began with an inspiring lecture by Mo Tanweer from the University of Cambridge. Jubileans represented different nations, actively debating, proposing motions, and formulating draft resolutions, enhancing their understanding of international relations. Notably, Clarice Yeung from 4D received an Honourable Mention in the Commission on the Status of Women.

Additionally, they explored British culture through punting in Cambridge and a day tour in London. This transformative experience has left a lasting impact on all participants.

LEARNING BEYOND THE CLASSROOM

Taiwan Tourism & Hospitality Study Tour

From April 13 to 17, 30 students from our school studying Tourism and Hospitality and Geography participated in a five-day study tour to Taipei, guided by three teachers. This trip included cultural experiences, nature exploration, and academic exchanges, allowing students to gain a deeper understanding of Taiwan's tourism industry and cultural characteristics, while integrating classroom knowledge with practical observations.

On the first day, students visited Shifen Old Street, experiencing the charm of traditional sky lantern culture and writing their wishes to bless their upcoming DSE exams. The next day, they traveled to Beitou Geothermal Valley to observe the unique geothermal landscape and learn about Taiwan's rich natural resources. Additionally, students engaged with tourism students from a local university to discuss the similarities and differences in tourism education between the two regions, while also experiencing campus life in Taiwan to broaden their horizons.

On the final day, the study group visited the bustling Ximending area to analyze the business models and development of the cultural and creative industries in that region. Through on-site observation, students gained a deeper understanding of the tourism industry's impact on the local economy.

Special thanks to teachers Mr. Choi, Mr. Tang, and Ms. Lam for their careful guidance, which ensured the successful completion of the activity. We look forward to more opportunities in the future for students to explore broader learning experiences beyond the classroom.

LEARNING BEYOND THE CLASSROOM

Taiwan Service-learning Trip

From April 12 to 15, 22 students and teachers discovered Kaohsiung through meaningful service.

At Taiwan Indigenous Peoples Cultural Park, we decoded the stories behind traditional clothing and witnessed vibrant performances that brought Indigenous culture to life.

Tzu Chi Jing Si Hall taught students how "trash becomes treasure" through hands-on recycling - sorting waste into 10 categories and preparing plastics for reuse.

We experienced Kaohsiung's charm at Qijin Old Street, Cijin Lighthouse, Star Tunnel, and Taiwan Sugar Park.

Special Thanks to Mr Ng and Ms Lam for showing us how travel can create impact. This trip proved learning and service go hand-in-hand!

LEARNING BEYOND THE CLASSROOM

F.4 - 5 Geography Field Trip

On May 15, two F.4 groups explored Cheung Chau's coast. Guided by Ms. Lam and Mr. Chan, they analyzed Kwun Yam Wan Beach's formation by constructive waves and documented landforms like sea geos and sea stacks. They also investigated Tung Wan Beach, studying human impact and measuring waves. This trip deepened their understanding of coastal ecosystems and environmental care.

On May 10, F.5 Geography students conducted fieldwork in San Po Kong on "The Transformation of San Po Kong Industrial Area." Led by mentors from Caritas Chan Chun Ha Field Studies Center, they assessed building ages and mapped land use changes. This practical experience brought textbooks to life and prepared them for their DSEs.

A big thank you to all the teachers and coaches who made these enriching experiences possible!

LEARNING BEYOND THE CLASSROOM

Visit to the “Bruce Lee” exhibition

On June 26, our Chinese Department organized an incredible visit to the Hong Kong Heritage Museum's "Bruce Lee" Exhibition just for us Non-Chinese Speaking students! Led by Mr. Wong, this trip was amazing. It really helped us understand Bruce Lee's "East Meets West" achievements and how he impacted Chinese culture.

Fifteen of us went, a mix of non-Chinese and Chinese speaking students. The museum's guided tour was fantastic; we learned so much about Bruce Lee's life and his huge cultural influence. It was a great success, deepening our understanding of Chinese culture and sparking some valuable cultural exchange among us. Thank you for this wonderful opportunity!

LEARNING BEYOND THE CLASSROOM

Inner Mongolia National Education Tour

From June 27 to July 2, our class had an incredible cultural and ecological exchange in Inner Mongolia. We explored Baotou, Ordos, and Hohhot, gaining deep insights into cultural preservation and environmental conservation.

We visited sites like Saihan Tara Ecological Park and the Engebei Desert, learning firsthand about desertification control. The cultural immersion was unforgettable; we brewed milk tea with herders and experienced a magical bonfire night. This program greatly boosted our cross-cultural communication and environmental stewardship skills. A huge thank you to all our guiding teachers for making this transformative experience possible! We're so grateful for everything.

LEARNING BEYOND THE CLASSROOM

Gospel Camp

The 2025 Gospel Camp, themed “Step into Faith,” was successfully held from July 7 to 9, engaging over 50 students from F.1 to F.6 in a meaningful spiritual retreat. The camp fostered community through ice-breaking games and team-building activities like the “Night Walk” and “Roman Cannon.”

Each day included powerful worship and reflection sessions, with morning devotions led by the CU Music Team and a peaceful Taizé Night Service. The camp culminated in group sharing and a closing ceremony, celebrating personal growth and encouraging individual faith journeys.

Students shared profound experiences, with many reconsidering values, deepening friendships, and feeling God’s presence. Notably, three students decided to follow Christ, and nine expressed interest in learning more. The camp provided a transformative experience, sparking new questions and steps in students' spiritual paths, with seeds of faith planted for future growth.

THE JUBILEAN NETWORK

PTA Activities

Pun Choi Feast

At the beginning of the Lunar New Year, the Parent-Teacher Association (PTA) held a Spring Gathering with a Poon Choi feast in the school hall. This event brings together students, parents, and staff to celebrate and strengthen their connections. This year, we have also added a lucky draw to enhance the festive and joyful atmosphere!

Cheering the F.6 Students Up

The PTA committee prepared encouragement packs for the graduating F.6 students, which include candies, chips, corn snacks, and coffee vouchers. We send our best wishes for their complete success in the upcoming DSE exam!

Guidance Week 'Fruit Day'

The PTA and parent volunteers also gave our students fruits (such as blueberries, bananas, apples and grapes), as lovely gifts to our students to relieve academic stress with their favourite fruits.

THE JUBILEAN NETWORK

PTA Activities

Movie Watching Activity

The PTA held a parent-child movie appreciation event at the MCL Cinema in Kai Tak, where they watched the movie *Ne Zha 2*. This event aims to encourage our parents and students to reflect on the meanings and elements of "home," "family," and "family happiness" through this film, promoting the cruciality of family mental health and cultivating an optimistic family culture and environment for the mental well-being of their children.

Preserved Flower Workshop

On the afternoon of April 12, the Parent-Teacher Association (PTA) hosted a successful Preserved Flower Workshop, drawing over 30 parents. The event aimed to provide a relaxing, artistic space for parents to unwind and connect.

In a pleasant atmosphere and with professional guidance, participants fully engaged in creating their own beautiful preserved flower arrangements. This workshop not only offered a joyful, hands-on experience but also fostered a stronger sense of community among parents, reflecting the school's commitment to their well-being and quality of life.

THE JUBILEAN NETWORK

The Alumni Association

Coffee Appreciation Workshop

On May 17, the BHJS Alumni Association hosted a delightful Coffee Appreciation Workshop that brought together a vibrant community of participants, including teachers, the Principal, alumni from various sectors, parents, IMC Managers, and chairpersons of the Parent-Teacher Association. The workshop featured Mr. Felix Lo, our esteemed former chairperson of the BHJS Alumni Association, who expertly guided attendees through the rich tapestry of coffee culture. He introduced the nuances of various coffee bean origins, explored diverse production methods, and shared insights on extraction techniques, brewing, and roasting. This immersive experience deepened participants' appreciation for the art of crafting exceptional coffee. The event not only strengthened the bond between the Alumni Association and the school but also created a warm atmosphere where everyone could savor coffee together, fostering meaningful connections among attendees.

The success of this gathering was a testament to the collaborative spirit of our alumni, particularly the current chairperson, Mr. Kevin Wu, and the former chairperson, Mr. Felix Lo. We aspire to see the art of coffee-making flourish, ensuring that each participant left with fond memories of an enchanting afternoon.

THE JUBILEAN NETWORK

Elite Mentorship Programme

Our Elite Mentorship Programme successfully launched, connecting students with accomplished BHJS alumni for academic and personal guidance.

The program began on April 30 with a high-table dinner. Ten student mentees, six alumni mentors, two teachers, and our Vice Principal shared insights on university life and inspiring experiences, fostering strong bonds.

A recent post-exam gathering further connected four alumni mentors with eight students. Mentors shared stories from university, volunteer work, and exchange programs. They emphasized living a meaningful life, encouraging personal growth beyond just academics. These sessions provided students with fresh perspectives for their future paths.

We deeply appreciate our alumni mentors' generous support and dedication in guiding the next generation of Jubileans. Their contribution is invaluable.

COLLABORATION WITH SCHOOLS

Hong Kong Joint School Music Festival Concert

On December 3, Our Symphony Orchestra was invited by the Hong Kong Youth Orchestra and Hong Kong Innovation Technology Development Centre (Charity) Limited to perform in the Hong Kong Joint-School Music Festival Concert to celebrate the 75th anniversary of the founding of the People's Republic of China.

In the concert, our Symphony Orchestra performed Intermezzo and Les Toreadors from French composer George Bizet's Carmen Suite No.1. Our orchestra member performed the same piece in the Hong Kong Youth Interflow one week before the performance and secured a Silver Award.

Hurray for our musicians who had attained another achievement!

COLLABORATION WITH SCHOOLS

BHJS CONTRAIL

Joint-School Student Exchange Programme

The Joint-School Student Exchange Programme with Sheng Kung Hui Lam Woo Memorial Secondary School (Lam Woo) was conducted smoothly from March 12 to 14 this year.

A series of activities were prepared for our exchange students, including a campus tour, an introduction of our remarkable Chapel, STEAM room, Drama Lab, and the Activity Centre. The students also had a memorable lunch gathering with our Principal, Ms. Law.

Lam Woo's students have as well as fully integrated into our school life, immersing themselves in our wide-ranged academic and co-curricular programmes, such as the Robomaster session. It is with great hope that our visitors were able to embrace the warmth of the BHJS community during this period.

We thank all students, teachers, and staff who contributed to making this exchange programme a remarkable success.

COLLABORATION WITH SCHOOLS

中文辯論隊

思行盃

我校中文辯論隊與協恩中學中文辯論隊於5月合辦第三屆「思行盃」聯校小學普通話辯論賽。今年參賽學校為聖方濟各英文小學、德萃小學、協恩中學附屬小學及九龍塘學校小學部。兩輪初賽於5月3日及5月10日舉行，經過激烈角逐，最終由聖方濟各英文小學及九龍塘學校小學部晉級決賽。

決賽於5月24日在本校禮堂進行，辯題為「讀萬卷書比行萬里路更有效學習中國文化」/「行萬里路比讀萬卷書更有效學習中國文化」，聖方濟各英文小學擔任正方，九龍塘學校小學部擔任反方。比賽期間，兩方辯員就中國文化定義和範疇，以及現今社會學習成本、體驗等多方面展開辯論，運用權威數據及日常生活例子加強說服力，使得比賽緊張刺激之餘亦妙趣橫生。憑藉更好的整體發揮，九龍塘學校小學部成功以2:1擊敗聖方濟各英文小學，奪得本屆賽事的冠軍。此外，當天賽後亦進行頒獎典禮，為各校表現優秀的辯員贈與證書及紀念品。

感謝各參與學校辯論隊師生的付出與支持，期望來年「思行盃」辯論賽能繼續為小學辯員提供展示自我的機會，培養小學生思辨能力，貢獻辯界。
