World Scholar's Cup Global Round at Sydney

Eighteen Jubileans earned their places in the World Scholar's Cup (Global Round) after outperforming many other contestants in the Hong Kong Round in March 2019. They travelled to Sydney, Australia on 13 August 2019 for another round of heated competitions.

During the 7 days of intense competitions, students debated, wrote, and answered MC questions upon the syllabus given. They have reaped over 40 individual and team medals and trophies. Nine Jubileans are qualified to enter the Tournament of Champions to be held at Yale University, United States this November. Congratulations!

The World Scholars Cup is an academic competition in which students compete against each other in 6 different subject areas: Science, History, Social Studies, Literature, Art & Music and an additional Special Area, decided by the World Scholar's Cup organizer every year.
